In Connecticut, 350,000 people are hungry or food insecure at some point during the year.

One of five children in Connecticut, or 102,000 youngsters under the age of twelve, are hungry or at risk of hunger.

A survey of food pantry clients in Connecticut revealed that: 35% had to choose between paying for food or utilities; 33% had to choose between food or paying rent; and 32% had to choose between food or medical care.

Of households receiving assistance in Connecticut, 27% have at least one employed adult.
